As soon as she found out Kouichirou moved here, Nana went after him.
I wonder if it's okay for me to keep things secret from her...
カシカシ
But I'm sure if I told him she moved here he would probably let out a smile.
Kouichirou is pretty stubborn so he likely doesn't want to meet her.

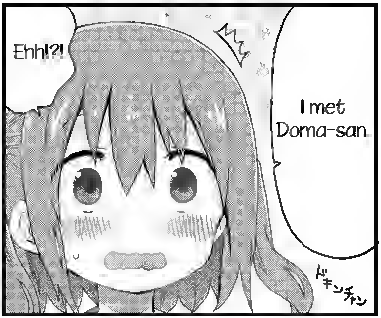
Good afternoon
Hmm?
?
Ah...
Good afternoon My name is Ebina
Ebina-san? Ah, are you perhaps her older sister?
吉田
Oh gosh no! I'm her mother!
テレ
テレ
Eh!? Ah... is that so... Sorry
Has my daughter been relying on you?
No.. We only greet each other once in a while.

She's started living by herself recently so I decided to come from Akita and pay her a visit
Ah.
So that's how it is.
She's a good girl if she's living by herself
I hope she's not having any trouble
If anything happens I'll leave it in your care!
Ah, sure! If you're okay with me...
Hm?

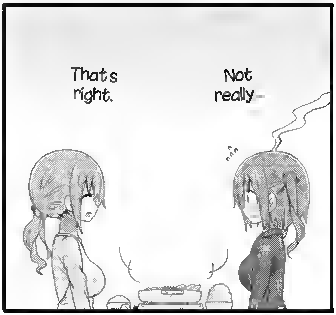
Ah!
By the way, when I was out..
It's your fault I fell asleep!

I made it while you were sleepin
Ah! Damako soup!

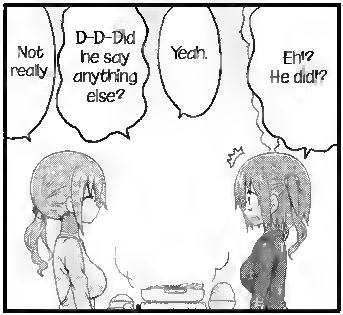
He said you were a good girl
Is that s-s-so



Ehh!?!
I met Doma-san
ムキンキン



That's right.
Not really-



Not really
D-D-Did he say anything else?
Yeah.
Eh!? He did!?

I was worried about you since you're kind of oblivious.
But there's people like him in Tokyo as well...
H-How did he look like when he...
But I'm really glad.
He seemed like a really nice person.
Yeah...

He is.

You've gotten kind of mature, Nana.
What!?
Ah.
I almost forgot about something.
Kei-chan and the others said they were comin here too.
